Thank you for the reminder. I just downloaded it from your OneDrive now. I've attached to this email for John as I don't think he has access to your OneDrive. I'm pretty sure this is the correct document, but if I'm wrong let us know 😊

Jesse,

As we discussed, I should be able to review the RIWP by March 11. However, I think it would help me to have some assistance from our SEE Hydro, John Stover (cc'd). Could you also provide John the document?

John,

Let's discuss on Monday. I'd like to get your help with this Work Plan. I can provide some background info that will help you.

Thanks,

Hello Ian:

Kara, from Denver, sent me the technical memorandum and RI workplan. The tech memo summarizes the data collected since the last RI and proposes a workplan for the updated RI. Can you review it?

Thanks,
